

# Call for Meeting Volunteers

Volunteers are needed to assist in meeting room monitoring and registration desk assistance. We will also need three volunteers to videotape several sessions on Friday, November 3. If you are interested in the latter you must be available for a short training session on Friday morning at 8:00 am. In exchange for conference registration we ask that you volunteer for six hours. To participate you must be a graduate student and a current member.

If you are interested please send an email to [Victoria Long](#) listing your top two preferences for sessions (see [preliminary program](#)) and your top two preferences for the registration desk (see below).

Note that these assignments fill up quickly.

Finally please do not register yourself, the SMT office will complete your registration.

---

## Registration Desk hours

Thursday, November 2

- **8:00 - 11:00 am**
- **11:00 am - 2:00 pm**
