Publications Committee Report

A Review

(Note: The brief review of the activities of the Publications Committee during the last three years as announced in the May 1965 Newsletter.)

The editorial committee was appointed in 1964 by the executive board in the then-remaining vacancies in the National Endowment for the Humanities program and was officially convened by David Burch at the annual meeting in Washington, D.C. of AMTC in 1965. The original committee was composed of William Barry, Wallace Berry, Allen Forte, and Robert Wash. The committee serves a one-year term, with two members each elected by the executive board.

The new members for the 1965-66 term are: Allen Forte, Christopher Hailey and Jonathan Klarer. The new committee will be chaired by Robert Wash, with Robert Wash, Christopher Hailey and Jonathan Klarer as co-chairs.

The committee has received a number of manuscripts and has begun the process of reviewing them. The committee has also begun to plan for the future of the journal. The committee will continue to work on expanding the scope of the journal and to improve the quality of the papers published.

The committee would like to thank all the members of the editorial board for their support and encouragement. The committee also wishes to thank the AMTC for their continued support of the journal.
